Association Membership Information – Elaine Beckett, Ron Fernandes, Penny Fleming

- You can apply and pay for your membership online ([2023 Membership Application](#)) or print the attached 2023 Membership Form and return it to Ron Fernandes by June 24. - Do you know someone who lives within the boundaries of SBIA but is not a member? Please **inform neighbors** who do not belong to the Association of the many benefits of being a member. New Silver is a unique Cape community, beloved for our beach and engaged social community. The Association works hard to maintain and improve the area, which increases the value of all homes in the neighborhood. It is in the best interest of all homeowners to help with this effort.

BOAT RACK PROGRAM

Several years ago, the Board defined a program that allowed us to organize and manage the racks to benefit you, our members. *(Program guidelines are listed below.)* Based on interest in the program, we also built two new racks, tripling the capacity!

Members can apply for a slot on the rack (See Requesting a Rack Slot) for the 2023 season. Slots will be awarded on a first-come, first-served basis.

Program Guidelines

- Boats awarded a slot will be assigned a numbered decal denoting permission to use the rack. You will be entitled to exclusive rack use for the 2023 boating season.
- Slots will be awarded on a first-come, first-served basis; see the instructions below to request a slot.
- A \$25 annual fee will be charged per slot to cover program and maintenance costs.
- It is not necessary to get a new decal each year even though you were awarded a slot. Decals are not dated.
- Decals must be prominently displayed on the end of the boat facing out, visible from the harbor side of the rack.
- Only 2023 paid members are eligible.
- The rack will be monitored regularly during the summer; boats without a decal will be removed from the rack.
- The rack accommodates kayaks, canoes, and paddle boards; masted sailboats and row boats are not permitted.
- Limited to one slot per household (we will consider additional household slots if availability permits).
- 2023 Rack Season: June 24, 2023 - November 12, 2023

Requesting a Rack Slot

The enclosed membership form includes a line item to request a slot. Simply check the box to the left of "Boat Rack Slot." Also, please check the box for the type of boat you are requesting a slot for (kayak/canoe or paddle board). Include your \$25 payment with your membership dues payment.

- Slots will be awarded on a first-come, first-served basis.

TENNIS COURT RECOMMENDATIONS

Our tennis courts are where our activities really start. Our courts are open each morning at 8 am and close at dusk. Children take tennis lessons there, kids meet for friendly get-togethers there in the summer, folks meet to play Pickleball, Tennis, and Basketball, and many of our SBIA events are held on the courts. It's what we had in mind all along, right?

Something you didn't have in mind, though, is what seems to be happening with increased frequency. Members are complaining that folks have had a fast-food picnic overnight and left food wrappers, empty bottles, etc. lying around.

You show up to play and end up having to clean up the mess, and suddenly, you become aware of several other problems. Someone has allowed their children to use one court to ride their collapsible scooters because the surface is marked. On another court, there are permanent black marks because someone has allowed their children to ride their bikes and skateboard.

The same thing that makes our Association courts great — the fact that any member or guest can use them — is the same thing that threatens them: anyone can use them (and, unfortunately, abuse them).

Having just put in the tennis courts and the fact that we are still paying on our loan, it's not possible to hire a security force to keep an eye on our tennis courts. But we, as members of the Silver Beach Improvement Association, should be taking a few proactive measures to try to keep the courts undamaged and safer.

Save Our Surface

A tennis court is built with certain traffic in mind, namely court shoes and tennis and pickleballs. It's not set up to accommodate skateboards, inline skates, bikes, scooters, and other uses, and the surface is going to be marked up by basketball shoes, street shoes, and so forth.

Signs have been posted stating the rules (no skates, bikes, etc. on the surface). Unfortunately, that only works for those who read the signs and obey the rules, two ingredients that are often missing from those who are abusing the courts.

What Can We Do?

We will continue to lock the gates at night and ask that our nighttime security check the area on their rounds. We are scheduling more activities in the daytime hours to keep the courts busy. Courts that see a lot of player traffic are less likely to sit idle and less likely to be used the wrong way or even abused. We ask our members to be vigilant in keeping skates, bikes, etc., off the surface to protect the courts for future use.
